

Two little ones in party hats, out on the grass.

The Centered Space

Parents and carers

One trusted person. A whole team, coordinated around you.

One trusted person who holds the whole picture and coordinates the team around your child. For children aged 0 to 9. Gold Coast, Brisbane and Northern NSW, or online anywhere in Australia.

Who is this for?

Children aged 0 to 9 and their families
Family-centred, affirming, and built around your real life.

For adults
We steady the supports around you in a different way, with the same philosophy.

What does a Key Worker actually do?

One trusted point of contact
Knows your family and holds the plan. No retelling your story.

A coordinated, transdisciplinary team
Speech, OT and the wider team share one plan, not seven.

Capacity building, not dependence
We build the skills of the people around your child.

Support in everyday life
Home, childcare, school, the park, mealtimes.

Help with the NDIS, in plain language
Your plan and your options explained, never billed.

— Is there room now?

Our team has room for new families now. Anyone can call themselves a key worker. Every clinician here is a trained key worker, with the whole team behind them.

— What about Thriving Kids?

As at October 2026, Thriving Kids has not reached Queensland families yet, there is no program to apply to, and nothing about NDIS access has changed. Changes to NDIS access for young children are not expected before January 2028. Our practice aligns with where the sector is heading, and NDIS education is free, including questions about Thriving Kids.

What does it cost and who pays? NDIS funding may cover therapy supports, including key worker support, where they align with the participant's goals and approved plan. Not all NDIS plans include these supports. **Plan-managed and self-managed plans.** We are not NDIS-registered. $193.99 an hour, the NDIS price limit for therapy supports, as at October 2026. Check your plan, and take your time.

— How do I start?

1. Talk to us on the page below, or scan the code. Liz, our NDIS specialist, usually calls, texts or emails you within one business day (Monday to Friday).

2. A free conversation about your family and what you want. Nothing is booked until you say so.
